

NEW

LC36™

Ideal for any fablab, STEAM or other academic environment, the LC36 helps keep learning materials organized, secure and easily accessible.

- » Large Storage Capacity
- » Locking, Acrylic-Panel Doors
- » Easy Cord Access
- » Adjustable Shelves
- » Multiple Color Options
- » Optional Worksurface(s)

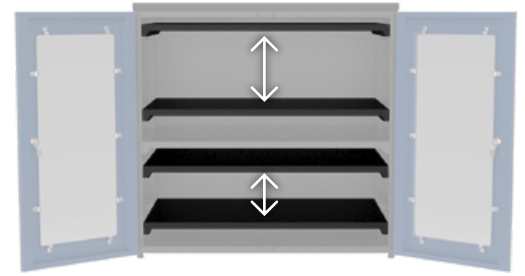

Accessories not included. Options shown.

Large Storage Capacity

Plenty of space to accommodate the supplies and materials needed for lessons.

Adjustable Shelves

Customize the fit by adjusting both the upper and lower shelves

Locking, Acrylic-Panel Doors

Acrylic-panel doors provide visibility to secured materials

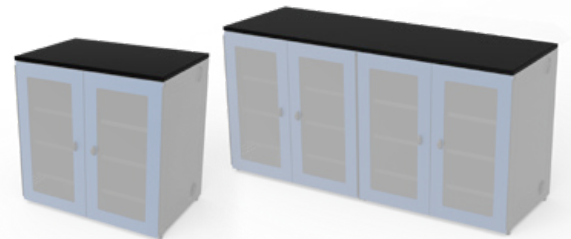

Multiple Color Options

Available in multiple color options for edgeband and doors

Easy Cord Access

Grommets on the side panels offer easy cord access

Optional Worksurface(s)

Complete your storage space with one of our 36" or 72" wide workspaces
