Hyflex Lectern Item# 55570

Rotating Worksurface

Large, 270° rotating worksurface provides flexibility

Interface Plate Options

Multiple interface plate options keep tech handy and cables organized and out of the way

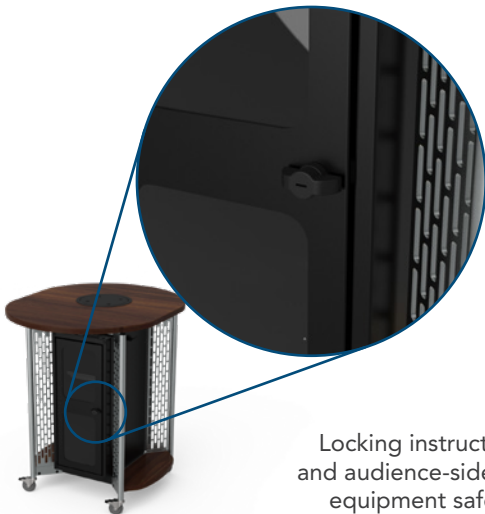

Easy AV Access

Audience-side panel and instructor-side door offer easy access to AV

Branding and Customization

Add a logo panel and choose finish colors to match your decor and school branding

Security

Locking instructor-side door and audience-side panel keep equipment safe and secure

Storage

Two backpack hooks, two foot shelves and a rack cabinet shelf provide ample storage space for belongings
