⚠ **Important** ⚠

Before using this product:
- Read this manual
- Comply with all safety and operating instructions
- Ensure all parts and correct quantities are included

Any parts damaged during shipment must be reported within 5 days of receipt. To report information regarding missing parts or damage, to purchase parts or accessories, or if you have any questions, please contact us.

*Thank you for purchasing Spectrum products!*

## Important Safety and Care Instructions ⚠️

- Read this owner's manual before assembly or operation.
- Do not allow children to move the table.
- For indoor use only. Do not install or store the table where it will be exposed to moisture.
- Do not block the ventilation openings.
- Do not allow anyone to sit, stand, or climb on the table.
- Use a damp, soft-cloth, or sponge, with mild soap or detergent solution to clean dirty surfaces. Do not use harsh solvents or abrasives.
- This table is intended for institutional use. It does not have any user-serviceable parts or user-maintenance requirements. If servicing is necessary, please contact Spectrum Industries for assistance.

⚠️ **Warning** - Relocating audio and/or video equipment to furniture not specifically designed to support audio and/or video equipment may result in death or serious injury due to the furnishing collapsing or over turning onto a child.

⚠️ **Warning** - Death or serious injury may occur when children climb on audio and/or video equipment furniture. A remote control or toys placed on the furnishing may encourage a child to climb on the furnishing and as a result the furnishing may tip over on to the child.

**General Electrical Safety:**

- Keep power switches in the OFF position before plugging or unplugging from the wall outlet.
- Be sure total device / equipment load does not exceed 12-amps.
- Do not plug power cords into an extension cord.
- Inspect power cords for damage before each use. Do not use cords that are damaged.
- Unplug power cord from electrical outlet by gripping the cord-do not unplug by pulling only on the cord.
- Do not step on, drive over, drag, or place objects on power cords.
- For added safety, plug into a grounded outlet controlled by a GFI (Ground Fault Interrupter) circuit breaker.
- Damaged electrical components can create significant hazards to users and is not covered by the warranty. Repairs should always be performed by a qualified electrician.
- Electrical devices are not toys. Children are often unaware of the hazards associated with electrical devices. This table must always be used by adults or with adult supervision.

## Components

Note: Depending on configuration ordered, not all components below may be included.
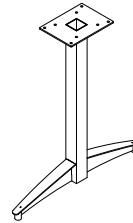

### Worksurfaces

(1) Worksurface
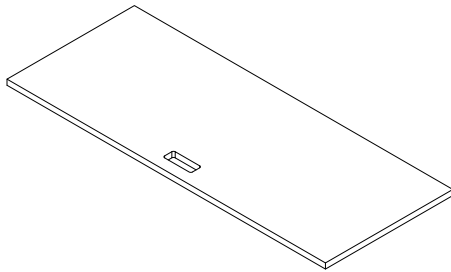

Sizes:

48"W X 24"D
48"W X 30"D
60"W X 24"D
60"W X 30"D
72"W X 24"D
72"W X 30"D

### Legs

(2) T-Leg assembly

Glide-length:

0151160

Caster-length:

0151178

### Modesty Panels (Optional)

(1) Modesty panel

Panel only:

0135610 - 48"W
0133637 - 60"W
0134280 - 72"W

with insert panel:

0135611 - 48"W
0133642 - 60"W
0134281 - 72"W

(1) 0133632
Right Corner

(1) 0133629
Left Corner

(11) 026073
#8 x 3/4" PHSM

(3) 0134099
Mounting bracket

### Parts bag - Glides

(4) 037779
5/16-18 Glide

(28) 0190419
#14 x 1" PHSM

(2) 051070
Half clip

(2) 026073
#8 x 3/4" PHSM

### Parts bag - Casters

(4) 0105662
5/16-18
60mm Caster

(28) 0190419
#14 x 1" PHSM

(2) 051070
Half clip

(2) 026073
#8 x 3/4" PHSM

# Assembly / Setup

Phillips screwdriver    or    Cordless drill with Phillips driver *(best)*    1/2" wrench

## 1. Attach worksurface brace

1. Place the worksurface face down (laminate side-down) onto a flat, non-abrasive surface like another table. **Figure 1**.
2. Attach the worksurface brace with #14 x 1" PHSM screws.

#14 x 1" PHSM screws

(2) 1/4-20 x 5/8"
PHMS
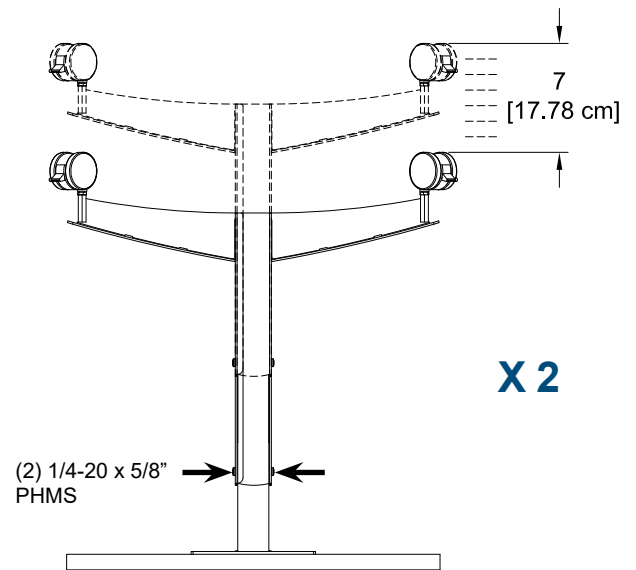

**Figure 5**

## 6.  Flip table upright

1.  Carefully flip the table upright-this will take 2 people.  **Figure 6**.

⚠ **CAUTION** ⚠

Do not allow the table legs to contact the floor
until the table is completely rotated.  Side-
loading of the legs could cause damage.

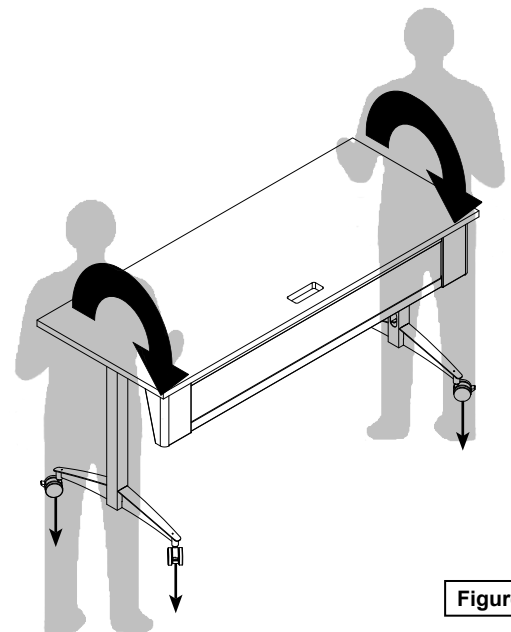

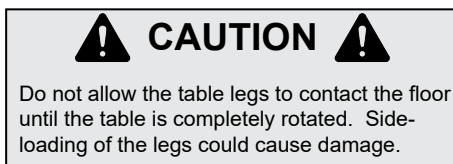

**Figure 6**

1. Place two tables next to each other.
2. Open the latch and attach to table #1 with (2) #8 x 3/4" PHSM screws. **Figure 6.1**.
3. Attach keeper #1 to table #1 with (2) #8 x 3/4" PHSM screws.
4. Attach keeper #2 to table #2 with (2) #8 x 3/4" PHSM screws.
5. Tighten screws securely.
6. Close and lock latch to secure tables together. **Figure 6.2**.

**Modesty Panel**

**37234** - (for 48"W table)
**37235** - (for 60"W table)
**37236** - (for 72"W table)

• 16 ga steel
• 9"H panel attaches to worksurface
• Available with or without laminate insert
• Fasteners included

---

**Backpack Hanger - 37237**

• Includes two brackets
• Available in all metal colors
• 12 ga steel
• Each hanger bracket installs with (2) included screws
• Each Active Table supports up to two brackets

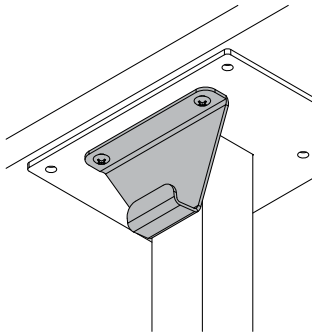

**Ganging Latch - 37238**

• Low profile and made of flexible rubber
• (1) Latch required per seam
• Fasteners included

---

**Cove™ Power Module with Easy Power Connection Kit**

| |
|---|
| **99047 - 48"W Table** |
| **99048 - 60"W Table** |
| **99049 - 72"W Table** |
| **99050 - Starter Kit** (One required per row) |

• Each table accommodates <u>one</u> power connection kit
• Two AC power receptacles
• Two USB charge ports (not data-compatible)
• Requires 5.25"W x 2"D worksurface cutout
• Flexible metal conduit is secured to worksurface underside
• Cove is ETL listed
• Thumbscrew clamps
• Cove available in Black or Silver
• Starter connects to standard 3-prong wall outlet

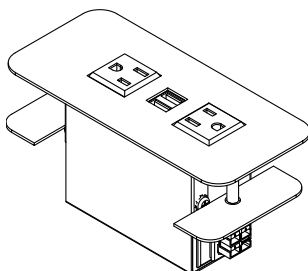

**Cove™ Power Module - 99044**

• Two AC power receptacles
• Two USB charge ports (not data-compatible)
• Thumbscrew clamps
• Requires worksurface cutout
• 9' AC power cord
• ETL listed
• Available in Black or Silver
